

**MS Barcelona** — the mobility specialists in Barcelona, Spain — is a subsidiary of the iCall España transnational project management group, specializing in mobility programmes and exchanges sponsored by European Union educational initiatives. MSB was created to provide a team of professionals dedicated to the needs of students, teachers, and professionals, and the organizations sponsoring them. MS Barcelona operates in the framework of Life Long Learning programmes such as Leonardo da Vinci, and Grundtvig, and participates in the design and development of Pilot Projects, Language Competence, and Reference Material. The MSB staff has extensive experience in working with a wide variety of international entities — ranging from universities, colleges, and vocational training institutions to the public and private sectors. MSB has developed a large network of contacts with area, regional and national businesses and institutions. These contacts enable MSB to arrange work experience for students and young graduates, as well as organize training and exchanges for teachers and professionals, in a wide variety of sectors. MS Barcelona provides ancillary services such as language training, accommodations, local transportation, airport transfers, and socio-cultural activities, including specialized outings and tours.

MSB staff has completed over 50 successful projects and are active participants in Work Experience, Expert Exchanges and Vetpro, Language Training, and Cultural Discovery Programmes. MS Barcelona is comprised of a small and dynamic team committed to putting forth every effort to ensure the success of the project and the maximum benefit to beneficiaries under their care.
